These concepts may not be identical to the concepts described by the same English language terms as they exist under the laws of other jurisdictions.

2. Assumptions

In rendering the opinion below, we have assumed:

- a) the conformity to the Documents of all documents produced to us as copies, fax copies or via e-mail, and that the original was executed in the manner appearing on the copy of the draft;

- b) the genuineness and authenticity of the signatures on all copies of the original Documents thereof which we have examined, and the accuracy of all factual information contained in, or material statements given in connection with, the Documents;
- c) the Shareholders Resolution, the Board Resolution and the Pricing Committee Resolution have been duly resolved in meetings duly convened and have not been rescinded or amended and are in full force and effect;
- d) the Board Report, the Declarations and the Audit Confirmation have not been rescinded or amended and are in full force and effect, and the Bank Confirmation is correct as of the date hereof;
- e) the First Registration Statement, the Amendment No. 1 and the Amendment No. 2 have been duly filed by the Company;
- f) the Articles, the Organizational Regulations, the Excerpt and the Securities Book are unchanged and correct as of the date hereof and no changes have been made which should have been or should be reflected in the Articles, the Organizational Regulations, the Excerpt or the Securities Book as of the date hereof;
- g) with regard to the Excerpt, a corresponding registration will be made in the main registry of the Commercial Register of the Canton of Zug relating to the Company, and the entering into force of the Company's Articles and the Capital Increase will be published in the Swiss Official Gazette of Commerce;

- b) This opinion is based on the current provisions of the laws of Switzerland and the regulations thereunder in effect on the date hereof and only as currently interpreted in Switzerland. Such laws and their interpretation are subject to change.
- c) Notwithstanding the registration of the share capital with the Commercial Register of the Canton of Zug, the Shareholders Resolution underlying such share capital may be challenged by a dissenting shareholder in court within two months after the Shareholders Resolution. Should the court decide in the favor of the claimant, the court may annul the relevant resolution of the general meeting of the shareholders. As a consequence, any amendment made to the articles of incorporation of the company based on such a resolution may be void.
- d) When used in this opinion, the term “non-assessable” means that no further contributions have to be made by the relevant holder of the Shares.
- e) When used in this opinion, the term “validly issued” means that the issuance of the Shares is valid between the Company and the underwriters as the initial subscribers of the Shares.
- f) We express no opinion as to the accuracy or completeness of the information contained in the Registration Statement.
- g) We express no opinion as to any commercial, calculating, auditing or other non-legal matters. Further, we express no opinion as to tax law.
